Volleyball Pensacola is a volleyball club devoted to the quality instruction of the game's skill and technique to middle- and high-school-aged girls. Try-outs are open to all girls in grades 5-12. Formed in 1996 by the late Coach Randy Pounders, it focuses on the development of the player as a whole.

Touted as one of the most successful volleyball clubs in the region, Volleyball Pensacola is proud to have a diverse staff of coaches that possess a culmination of experience to further advance our players into well-rounded individuals, both on and off the volleyball court.

The club showcases its players before collegiate coaches by competing in some of the top tournaments in the South: the USA Volleyball Junior Olympic National Championships, AAU Nationals, the Tampa National Qualifier, the Long Horn National Qualifier in Dallas, Cajunland in New Orleans, the Peachtree Classic in Atlanta, the Hi Neighbor in Ashville and our own LiZardfest tournaments.

We welcome the opportunity to expose you to the world of volleyball and all it has to offer. Please feel free to contact us for further information about Volleyball Pensacola.
